From Europe to the Antipodes **ALLA SALUTE** ESTAB / **13**

I've lived in this beautiful country for some time now and I'm proudly a New Zealander by choice - I love the produce and wine, the people and the land.

This wine list is a deeper extension of what I wish to share with my new home, and I hold the belief that the varietals and discoveries within could become a possibility within our local wine industry someday - Michael P Dearth
